

1

Tezgah atkı parçasını 4 Adet 6x80 vida ile yere sıkınız. Tesisat bağlantı noktasını atkı parçasının tam ortasından verip kabloları ara deliklerden çıkartınız.

Fasten the loom scarf piece to the ground with 4 6x80 screws. Place the installation connection point in the middle of the scarf piece and remove the cables from the intermediate holes.

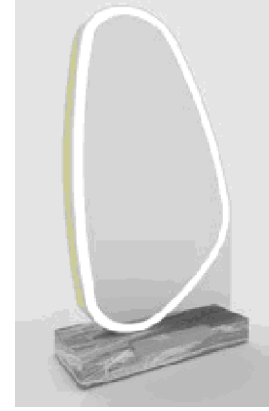

2

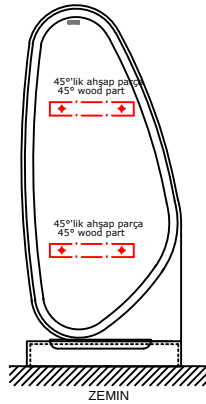

Tezgahı yere monte ettiğimiz atkı parçasının üzerine geçiriniz.

Place the loom over the scarf piece that we mounted on the ground.

3

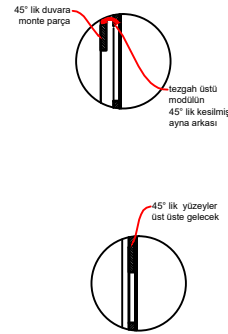

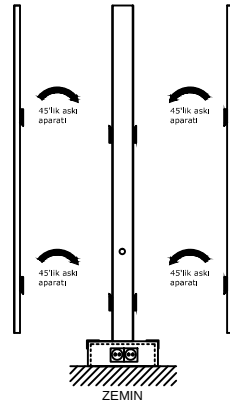

4

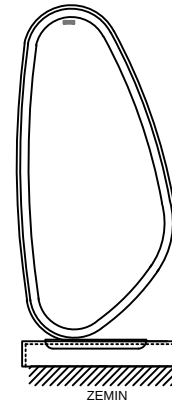

Aynaları tezgah gövdelerinde bulunan 2'şer tane askı 45 lerden tezgaha asınız.

Hang the mirrors on the counter from 2 hangers, 45 each, located on the counter bodies.

5

Elektrik bağlantısı yapıldıktan sonra montajı tamamlayınız.

Complete the installation after the electrical connection is made.
